If you know you'll be late to pick up your child, please let us know.

We also hope that when you watch your child's class, you will look for total improvement and compliment your child often. Our goal is to make them feel good about themselves and to take pride in improvement.

Tuition is due on the date of your child's first class of the session (Week #1). The only time that tuition is prorated is when a new student joins a class after the session has started. If your child's class falls on a holiday when the gym & dance studios are closed; it's up to you to schedule a make-up. Please refer to your Tuition Cycle Schedule. Payments received after the Saturday of week #1 of any session will be charged \$25.00. There is a \$25.00 fee for any check that is returned FOR ANY REASON. We plan and provide space for your child therefore missed classes cannot be deducted from tuition. Please notify the office if you will be missing a class. You are welcome to make up a class at another class time – you must check with the office on space available in any class and all make-ups MUST be scheduled ahead. SAFETY

At Tri-Star, we strive to teach your children gymnastics & dance in a fun but safe environment. There are some things that you can help with, too. We'll talk to the children daily about staying safe, but we also want you to talk to them if you see things that they are doing that look unsafe. Children are the world's greatest asset. We all will work hard to keep them safe. Listed below are some particular things we want the kids to think about.

A. Proper Attire for Gymnastics: The right clothes are a safety rule.

1. Girls should wear a leotard or shorts/stretch pants and a t-shirt. Bare feet. Hair tied up. NO tights.
2. Boys should wear a t-shirt tucked into gym shorts or pants. Bare feet.

B. Proper Attire for Dance – Dance Classes need ballet, jazz, or tap shoes.

C. Staff-Tri-Star Gymnastics is very fortunate to have such a qualified staff. The staff will try to maintain the same schedule throughout the year. However, your child may occasionally have a different teacher. All the staff utilize the same lesson plans and curriculum sheets, but every teacher has his/her own style of teaching. Please help your child adjust to a new teacher if this occurs.

D. Moving To A New Class-If your child is moving into a different class or age division we STRONGLY suggest you come and watch the class BEFORE you're scheduled to start. This way both the parents and the child know what to expect.
